SUBJECT: Draft Response to Chairman Boland, HPSCI, re FOIA Commitments

Stan:

Attached is our draft response to Chairman Boland's 13 April letter to the Director seeking to confirm the commitments we have made during the consideration of our FOIA legislation. Please note that the letter makes it clear that we have not made a commitment to respond to new FOIA requests within the statutory 10-day time limit. Our commitment during the HPSCI hearing was in terms of weeks, or months, as stated in the letter (which I had verified by HPSCI minority staff reviewing the hearing transcript).

Please review and inform us of any comments you may have by COB tomorrow (25 April).
